

# NESPRESSO

## Momento 100

### HOW TO USE

#### STEP 1

Choose your capsule. Insert it into the machine. It will recommend the best recipe based on your chosen capsule.

#### STEP 2

Grab your cup and place it on the cup support (for small or medium format) or on the tray (for larger sizes). Select your format from the screen options.

#### STEP 3

Wait for your beverage and enjoy!

---  
*Note, your machine may take a small moment before each use to rinse for optimal results.*

### AVAILABLE RECIPES

*The Nespresso Momento 100 has a capsule-recognition module that will suggest a recommended recipe for your chosen capsule. Use the screen options to select your recipe.*
